Professor Joshua Lederberg,
School of Medicine,
Stanford University.

Dear Dr. Lederberg:

After the meeting at the Heller's on Sunday, Keith Mann told me that you had been kind enough to express an interest in my paper on Therapeutic Abortion. Enclosed is a reprint of the paper on that subject which Dr. Gampell and I published last year.

I was sorry that I didn't get to meet you at the Hellers but I hope to have a chance to see you before too long. As you may know, we are near neighbors in Pine Hill.

Best regards,

Faithfully,

Herbert L. Packer
